Welcome to Pura Vida House! We, the owners, Jorge & Stephanie, hope you enjoy the villa, Hacienda Pinilla, and Guanacaste, Costa Rica as much as we do! We hope you have a wonderful trip, please let us know if there is anything we can do to make your trip more enjoyable, we are here to ensure you have access to anything you need while in Costa Rica ☺

Please note that Guanacaste, Costa Rica, is a tropical dry forest climate, tremendously affected by drought in recent years.

At Pura Vida House, we take measures to lighten our impact on the environment: inverter air conditioners, LED lighting, on-demand tank-less hot water heaters, organic soaps and shampoos in reusable containers, drip irrigation and water-light landscaping, recycling, etc.

Please help us by being conscious of your water use, and closing windows when using air conditioning, and turning the air off when you leave the house. It will cool back down quickly upon your return.

The keys to both sides of the villa will be there for 6-bedroom villa rental.

CONTACT

Please connect with us via text/WhatsApp sometime before your arrival so we're available to you anytime with anything you need! Our phone numbers: (571) 244-7248; or: (614) 560-9274.

IN CASE OF EMERGENCY

For major medical emergencies call 911. For the Hacienda Pinilla Doctor, during office hours call 2681-4454. During off-hours the doctor is on call and can be reached on his cell phone at 8726-5236.

NEIGHBORHOOD SAFETY

Please lock up! Hacienda Pinilla is a safe and comfortable resort. Help us keep it that way by not tempting entry into homes by leaving doors open at night or when you leave, or valuable items outside the house.

AIR CONDITIONING

Please turn off when you are not around or if you are leaving the windows and doors open. These units do cool down the rooms very quickly once turned on.

Instructions are located in the nightstand if you can't figure out the remote control.

INTERNET

We have wireless internet. The name of the router is Brisas 46, and the password is "puravida".

HOT WATER

Hot water heaters are on-demand tank-less heaters. They are below most sinks in the bathrooms and kitchen (some bathrooms share heaters). Ensure tank is on by pressing the big metal round button, the digital display will either say a temperature or off. You can dial up and down the water temperature with this dial.

LAUNDRY/HOUSEKEEPING

Wednesdays (or we will communicate with you to choose another day if you are not a Saturday-Saturday rental). Please leave any clothes you want washed outside your bedroom, right in front of your bedroom door, on Wednesday morning before 8:30am, and our housekeeper will collect and do your laundry, and return it folded. Please set anything separate that cannot go in a dryer. This is for a 4-bedroom rental. For a 6-bedroom rental (washer/dryer available in unit), laundry/maid service does not come with the rental, but is available upon request for an additional cost.

RATES FOR LOST TOWELS, SHAMPOOS, ETC.

Please note, the following amounts will be deducted from the security deposit for each item.

Let us know if you enjoyed the organic soaps and shampoos and if you would like to purchase any of them to take home.

Bath and Beach Towels - \$40

Hand Towels - \$30

Washcloths - \$20

Shampoo - \$28

TRASH & RECYCLING

Trash is collected Mondays, Wednesdays and Fridays, starting at 8:00am.

All trash must be bagged and placed outside the garage (please NO EARLIER than that morning, or else animals will get into it and spread it all over!).

Recyclables can be mixed, and should be in clear bags.

VILLA SWIMMING POOL

Please rinse sunscreen at the outdoor shower before entering pool, or water can quickly turn murky. Pool waterfalls run roughly from 8:00am-2:00pm and are on an automatic timer.
